

100% User Qualification Form

Being a 100% user builds integrity & profitability as you duplicate your business.

Firstly, it creates confidence as you start to purchase products at wholesale from your own business on a2k (Amway online). Experiencing the quality & concentration of the products makes it easy to recommend others to do the same.

Secondly, it is important to realise that some product ranges are more profitable than others are. This depends on how many companies have to share the profit margin on the product.

The profit margin on products produced by the Amway Corporation, or under licence to them, does not have to be shared with other manufacturing companies - hence more profit on these product lines. We call these CORE LINE products.

For these two very sound reasons, we encourage Business Owners to use at least 25 CORE LINE products. SA8 laundry products, LOC cleaning products, Body Series, Artistry, Nutriway, Satinique Hair products, Emma Page Jewellery, Tolsom, E Funkhouser Cosmetics, XS Energy Drink, Magna Bloc, Queen Cookware, eSpring Water Purifier, Air Treatment System, Earths Aromas, Glister Oral Care and any products carrying the Amway name.
